

The first four days fall of March fall during the liturgical season known as *Tempus per Annum* or **Ordinary Time** (formerly known as *Time after Epiphany*) which is represented by the liturgical color green. Green, the symbol of hope, is the color of the sprouting seed and arouses in the faithful the hope of reaping the eternal harvest of heaven, especially the hope of a glorious resurrection. The remainder of the month of March is the liturgical season of **Lent** which is represented by the liturgical color violet or purple — a symbol of penance, mortification and the sorrow of a contrite heart. All saint days that are usually Memorials are shifted to Optional Memorials during the season of Lent.
