ADORATION OF THE BLESSED SACRAMENT

Adoration will not take place during the months of July and August. It will resume in September.

SUNDAY REFLECTION

The faith of Jairus is inspiring. He believed Jesus could heal his daughter and sought him out for her physical healing. To receive physical healing is a great gift. How much more does the Lord desire our spiritual healing so that we can receive God's love snatches us out of a destructive domain and takes us into the land of the living, where we will have a life-long journey towards holiness.

In tandem with spiritual healing is another kind of healing: inner healing, which can be found when we seek God in prayer. If we are candid with our Lord about what is going on in our hearts and ask him to ease our fears, hurts, burdens, poverty and inadequacy, he will heal us and bless others through us. As we let God purify and sanctify us, our spirit will in time become pure and we will want to love only him, the Creator. Then we can be effective instruments of God's healing, peace and power. Let us pray that God in his divine love will increase our faith in him, and give us the grace to persevere in loving him and serving others for his sake.
Excerpt from Living with Christ.

**ST JOSEPH SUMMER MOVIE
FESTIVAL**

Back to the movies at St Joseph beginning **Thursday July 4th -13th at 7pm** in the church hall **with Romero** – Archbishop Óscar Romero (Raul Julia) is reluctant to get involved in a war that rages on between the military elite and guerrilla Marxists in his country of El Salvador. As conditions worsen and more churches are desecrated, however, he finds he cannot remain an observer. So Romero resorts to what he knows best: making speeches. The tenets he preaches are simply freedom and justice, but even so, he is seen as dangerous by the government and they are ready to retaliate. Second movie on **Thursday July 11th at 7pm** is "**Cabrini**" - After witnessing disease and poverty in the slums of New York, Italian immigrant Francesca Cabrini embarks on a daring journey to persuade the hostile mayor to provide housing and healthcare for hundreds of orphaned children. Third Movie on **Thursday July 18th** is "**All or Nothing**" - "All or Nothing" tells the story of Sister Clare Crockett, a religious sister who died in the earthquake that took place in 2016 in Ecuador and the **final movie on Thursday July 25th** - "**Molokai**" - the true story of the nineteenth century priest *who* volunteered to go to the island of Molokai, to console and care for the lepers. All are welcome to attend – **FREE to attend**. Popcorn and drinks provided.

MEDITATIONS – HENRI NOUWEN SOCIETY

Compassion is Being With

Let us not underestimate how hard it is to be compassionate.  Compassion is hard because it requires the inner disposition to go with others to the place where they are weak, vulnerable, lonely, and broken. But this is not our spontaneous response to suffering. What we desire most is to do away with suffering by fleeing from it or finding a quick cure for it. As busy, active, relevant [people], we want to earn our bread by making a real contribution. This means first and foremost doing something to show that our presence makes a difference. And so we ignore our greatest gift, which is our ability to enter into solidarity with those who suffer...

Those who can sit with their fellow man, not knowing what to say but knowing that they should be there, can bring new life into a dying heart. Those who are not afraid to hold a hand in gratitude, to shed tears of grief, and to let a sigh of distress arise straight from the heart can break through paralyzing boundaries and witness the birth of a new fellowship, the fellowship of the broken. **"Then they sat on the ground with him for seven days and seven nights. No one said a word to him, because they saw how great his suffering was."** JOB 2:13 (NIV)

PARENTING TIP OF THE MONTH

As summer approaches and we plan for holidays, camps and childcare, remember to ensure that family time makes a strong appearance in your calendar. These years with our children are about forming a foundation both for their futures and for our adult relationship with them. Don't let too many scheduled activities remove the most important one, time spent together as a family. In addition, remember that praying and attending Mass together are great bonding moments as well. (From: Teresa Hartnett, Family Ministry Office; 905-528-7988 ext. 2250).

MARRIAGE TIP OF THE MONTH

Our Catholic faith tells us that the vocation of marriage has a twofold purpose: the good of the spouses themselves and the transmission of life. It can seem challenging for each spouse to help their husband/wife to be the best person they can be, but when we love, we want the best for the other. It isn't about criticizing and demanding change, but about helping our spouse to grow in faith and maturity and to become the best person they can be. It is not an easy task, but one that brings great reward to each spouse, children and all those connected to us in any way. (From: Teresa Hartnett, Family Ministry Office; 905-528-7988 ext. 2250).

"Faith is the beginning, love is the end, and the union of the two together is God." St Ignatius of Antioch
